

IN-HOME PHYSIOTHERAPY

Private. Convenient. Effective.

What We Do

Calgary Home Physiotherapy provides treatment in your home, delivering the same quality of care as a clinic in most cases. We specialize in helping clients with impaired mobility and complex conditions get stronger, manage their pain, and improve quality of life. Home physiotherapy can help clients be more independent and enjoy their favourite activities again.

Who We Are

Our therapists have a wide range of skills and experience to address many conditions

Neurology

Orthopedics

Cardiorespiratory

Pelvic Pain

Seniors' Health

How We Help

We combine technological innovation with evidence-based practice to achieve the best rehab outcomes:

- Therapeutic exercise
- Nerve/muscle stimulation
- Acupuncture/dry needling
- Manual joint therapy
- Self-care education

Proudly serving all communities in Calgary, 7 days a week
